CERAMIC TECHNOLOGY

EXTREME WATER BEADING PROTECTION & SHINE

Turtle Wax Hybrid Solutions line is designed by – and for – the industry's most discerning detailers. Yet this cleverly-crafted, professional-grade, suite of products is the most approachable on the market from an ease-of-use perspective. With the perfect blend of the latest technologies in car care, teamed with Turtle Wax's decades of experience, Hybrid Solutions is guaranteed to deliver unmatched results. Not only will cars treated with Hybrid Solutions have a high-gloss shine and durable protection for today's finishes, but they'll be ready to hit the road for any unexpected adventure.

**TURTLE WAX:
DEDICATED TO
THE DRIVE.**

**HYBRID
SOLUTIONS**

CERAMIC SPRAY COATING

'SPRAY ON A CLEAN, DRY CAR FOR INCREDIBLE SHINE & PROTECTION'

53342 500ml Trigger

- ▶ **KEEPS YOUR VEHICLE CLEANER LONGER:** Super hydrophobic and SiO₂ polymers deliver INSANE water repelling, water sheeting and chemical resistant protection that can last up to 12 months! Reduces water spots and contaminant deposits, making in between washing and drying a breeze.
- ▶ **SHINE:** Adds a brilliant mirror-like shine that enhances the depth of colour and finish.
- ▶ **EASY ON EASY OFF:** Simply spray on a clean dry car. Spread and remove with a folded microfibre cloth. Less is more with this high active formula! A light mist of 1 or 2 sprays per panel gets the job done. Can be used in direct sunlight. For best performance paint should be free of contaminants by using a clay bar or compound prior to application.
- ▶ **ULTIMATE VERSATILITY:** Can be used on all exterior surfaces including glass, headlights, trim and wheels. Not recommended for soft side convertible tops.
- ▶ **SIGNATURE SCENT:** Hybrid Solutions collection features a sweet fruity fragrance that is a delight to the senses.

Use HYBRID SOLUTIONS CERAMIC 3-IN-1 DETAILER and HYBRID SOLUTIONS CERAMIC WASH & WAX to maintain shine and protection.

CERAMIC WET WAX

'SPRAY ON A WET CAR &
DRY FOR 1-STEP AMAZING
SHINE & PROTECTION'

53339 500ml Trigger

- ▶ **ONE STEP APPLICATION:** The fastest way to amazing shine and durable protection in 1 easy step! Just wash the car, spray on wet surface and dry!
- ▶ **CERAMIC INFUSED:** Super hydrophobic and SiO₂ polymers deliver instant water repelling and chemical resistant protection.
- ▶ **SYNTHETIC WAX POLYMERS:** Delivers superior shine, high gloss, and enhanced depth of colour with a simple wipe and dry.
- ▶ **LESS IS MORE:** This super concentrated formula goes the distance! A light mist of 1 or 2 sprays per panel gets the job done.
- ▶ **SIGNATURE SCENT:** Hybrid Solutions collection features a sweet fruity fragrance that is a delight to the senses.
- ▶ **COMPATIBILITY:** Can be used with all conventional auto wash products.

Use **HYBRID SOLUTIONS 3-IN-1 DETAILER & HYBRID SOLUTIONS CERAMIC WASH & WAX** to maintain shine and protection.

CERAMIC 3-IN-1 DETAILER

SAFE WATERLESS CLEANING
THAT INTENSIFIES SHINE & ADDS
CERAMIC WAX PROTECTION

53343 500ml Trigger

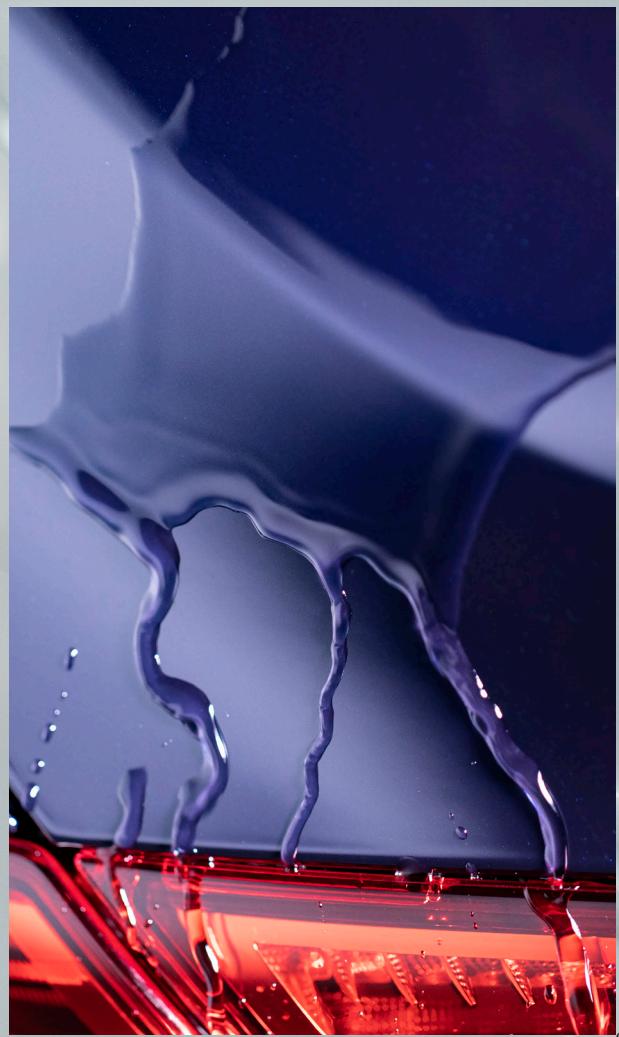

- ▶ **REJUVENATES SHINE & PROTECTION:** Safe waterless cleaning that intensifies shine and adds ceramic wax protection.
- ▶ **BETTER THAN YOUR STANDARD DETAILER:** Easy spray formula is infused with super hydrophobic and SiO₂ polymers, creates durable protection, intense shine, and superior water beading in between washes.
- ▶ **PROTECTION THAT LASTS:** Formulated with ceramic infused wax that stands up to diverse environmental conditions, even with regular washes.
- ▶ **LUXURIOUS & CONVENIENT CLEANING:** Silky feeling Hydro-glide polymers trap and encapsulate dirt and grime that wipe away easily with a microfibre cloth.
- ▶ **SCRATCH FREE CLEAN:** Can be used on all non-porous exterior surfaces including glass and wheels.

Use to clean, shine and add protection in between car washing of
HYBRID SOLUTIONS CERAMIC SPRAY COATING,
HYBRID SOLUTIONS CERAMIC POLISH & WAX or other previously applied waxes or coatings.

CERAMIC POLISH & WAX

'ALL-IN-ONE FORMULA
DELIVERS AMAZING CLARITY,
SHINE & PROTECTION'

53341 500ml Bottle

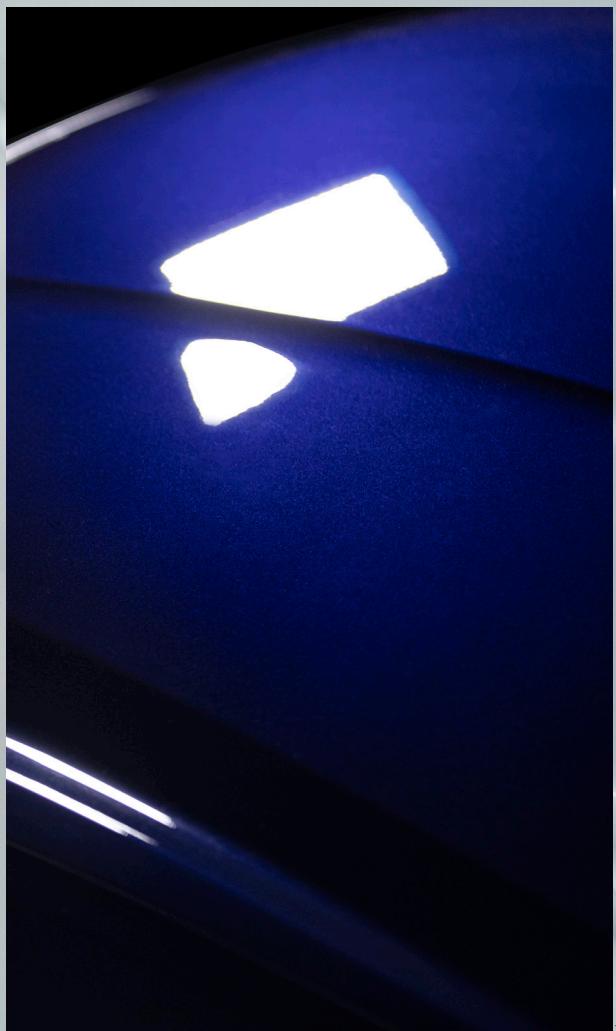

- ▶ **ALL-IN-ONE FORMULA:** Polish, wax and protect your vehicle in one easy step. Removes swirls, scratches, and oxidation with precision polishing agents.
- ▶ **CERAMIC INFUSED:** Super hydrophobic and SiO₂ polymers deliver extreme water beading and chemical resistant protection that lasts for months.
- ▶ **SYNTHETIC WAX POLYMERS:** Hydro-activated formula increases depth of colour, leaving behind a mirror-like shine and gloss.
- ▶ **LESS IS MORE:** With this high action formula, a little will go a very long way. A thin application of product is all that's needed.
- ▶ **APPLICATION:** Hand or machine, work in small 2' x 2' sections, removing excess with a dry microfibre towel. For high shine activation, go over surface with damp microfibre towel and dry.

Use **HYBRID SOLUTIONS CERAMIC 3-IN-1 DETAILER** and **HYBRID SOLUTIONS CERAMIC WASH & WAX** to maintain shine and protection.

CERAMIC WASH & WAX

'WASH & RINSE FOR INSTANT DRYING THAT LEAVES BEHIND SHINE & PROTECTION'

53340 1.42L Bottle

- ▶ **WASH, SHINE & PROTECT IN LESS TIME:** Scratch-free cleaning for all surfaces that leaves behind a brilliant shine with chemical resistant protection that lasts for months.
- ▶ **ENHANCED CERAMIC PROTECTION:** Super Hydrophobic & SiO₂ polymers creates a durable barrier for both coated and uncoated cars. It boosts water beading and sheeting, saving time while drying.
- ▶ **SUPER CONCENTRATED:** Less is more! For routine cleaning, all it needs is 1 cap per litre of water.
- ▶ **BUILDABLE COVERAGE:** Re-washing and or regular cleaning adds additional layers of protection, repelling water and contaminants.
- ▶ **BRIGHTEN TRIM:** Enhances the appearance and adds shine to exterior plastic and trim.
- ▶ **SIGNATURE SCENT:** Hybrid Solutions collection features a sweet fruity fragrance that is a delight to the senses.

Use 30ml to pre-clean vehicle prior to applying waxes/coatings. Can be layered with **HYBRID SOLUTIONS SPRAY COATING**, **HYBRID SOLUTIONS CERAMIC POLISH & WAX** or other previously applied waxes and coatings. Not recommended for use in a foam sprayer.
